Thank you very much in japanese informal

1 Say domo arigatou. This is a fairly standard but casual way to say thank you. Use this term with friends and coworkers, but don't use it with someone above you in a position of authority. Also avoid its use in formal situations. Pronounce domo arigatou as doh-moh ah-ree-gah-toh. In its non-romanized form, write **どものなのどの**. [1] 2 Shorten it to arigate. arigatou is a pretty casual way to say thank you. You can use this phrase with friends and family members. However, someone with a higher position, such as a supervisor or teacher, should be treated with more respect. Pronounce arigatou as ah-ree-gah-toh. In its non-romanticized form, write **ありがて** as the **この**. [2] 3 Shorten it to domo. Domo is more forced than arigate. Domo itself means a lot, but it is understood that it means thank you depending on the context of the conversation. You can't use it in polite contexts. If you need to be polite to someone, you should opt for a more formal phrase. Pronounce domo as dough-moh. In its non-romanized form, write **ども**. 1 Become arigatou gozaimasu. [3] This sentence basically means thank you very much. You can use arigatou gozaimasu with people who are in a higher position than you, including superiors, older families, teachers and strangers or acquaintances who appear to be older or higher in rank than you. You can also use this phrase to express formal or sincere gratitude to someone close to you. Pronounce arigatou gozaimasu as ah-ree-gah-toh goh-zah-ee-mas. In its non-romanticized form, write the **とござま**. 2 Go to domo arigatou gozaimasu. This is an even more polite way of saying thank you very much. Use this phrase with those who are in a higher position or under formal circumstances. You can also use the phrase to express sincerity with someone who is familiar. Pronounce the phrase as dough-moh ah-ree-gah-toh goh-zah-ee-mas. In its unromalized form, write domo arigatou gozaimasu as **どthe もござまずま**. 3 Express thanks in the past time as arigatou gozaimashita. [4] If someone has done anything for you in the recent past, change the phrase past time -at the end of gozaimas to -ita. Pronounce the phrase as ah-ree-gah-toh go-za-ee-ma-shi-tah. 1 Use gochisou alone deshita after eating. If the host is serving you dinner or if someone is moving you to eat, you should use this phrase at the end of the meal to express gratitude. Note that at the beginning of the meal you would say itadakimasu instead. Pronounce this phrase as goh-chee-sou sah-mah deh-she-tah. 2 At the end of the working day tell o-tsukaresama deshita. Basically it means something along the lines of thank you for your hard work. It follows that the listener has worked hard and deserves a rest. This sentence is polite and shows gratitude for the hard work of this person. Pronounce this saying as oh-tsoo-kah-reh-sah-mah desu. 3 In Osaka, say ookini. This isn't standard Japanese. Instead, this form says thank you is found only in areas near / aroun Osaka. Ookini means thank you. It can be used at the end of a sentence to smooth relationships, or it can be used on its own to show appreciation to someone close to you. The term was originally a way to indicate quantity and was used with arigate as ookini arigate. Over time; However, the phrase was shortened to ookini. Pronounce ookini as oh-kee-nee. In a non-romanized format, write it down as a novelized format. 1 Answer with dou itashi mashite. [5] In both informal and polite contexts, this phrase is used as a thank you response. Basically, it has the same meaning as you don't have. Pronounce the saying as doh ee-tah-shee mah-she-the. In non-Romised form, write the phrase **どたまのの**. Informally, instead of dough itashimashite, you can say ie, pronounced e-yeh written え , which literally means no.
